Subject: RE: Public Records Request

Mr. McKibben,

Receipt of your public records request is acknowledged. We will review the request in detail. As we have responded previously to extensive record requests, it is unlikely that we have any additional information to provide to you. As to any duplicative matters covered by the request, please refer to our earlier responses.

Regarding the judgment on the note, Leader is represented by counsel in that matter, and we must, therefore, confine our communications to your counsel. Mr. Donchatz is welcome to contact Mr. Scoliere to take up your suggestion of a settlement.

Regards,

Candace Jones
