

These notes were obtained on Feb. 19, 2009 under public records disclosure. They are presumably John Barron, then Chief Legal Officer's staff notes of the April 1, 2005 meeting with Leader principals to resolve the Cognovit Note. At the end of this meeting Robert Stempfer, Deputy Chief Legal Counsel, agreed with Leader to stop all collection action. The matter was resolved.

No Innovation Bio fund. (45.2 mil)
so therefore no full funding for projects
so don't have backgrd.
