Subject: Request for meeting with Director Lee Fisher

Dear Mike,

Having not received a response from you last week, I assume it was due to the short Thanksgiving week.

We respectfully request a meeting as soon as possible with Director Lee Fisher to discuss the matter of the lawsuit that ODOG launched against us. It is obvious that someone is interfering in our business, and that ODOG files are rife with false and misdirected information. We wish to correct that and find an amicable solution.

Thank you for setting this up.

I look forward to hearing from you.

Sincerely,

Mike McKibben
