Bob,

I have not had a response to the following e-mail sent December 21. Perhaps you did not receive it or you have been on vacation.

I am also concerned that due to the administration change, you may no longer be my contact within the ODOD.

Mr. Detwiler appears to be quite intimate with the ODOD legal department. Also, what business purpose is served by Mr. Detwiler, a Leader shareholder, policing collections actions of the ODOD? What is Mr. Detwiler's agenda?

Bob,

Has there been any activity, including any public documents generated from either party, concerning Leader Technologies since this last exchange?

Specifically, has the matter been forwarded to the Attorney General's Office?

Did Leader fulfill the required obligations by the November 30 deadline?

If not, did ODOD refer this matter to the Ohio Attorney General's Office for collection?

Bob,

I would like to continue to ensure that I have all the current public information available concerning Leader Technologies Incorporated. My last request for an information update was 11/8/2006 and I received documents through 11/15/2006. I want to make certain that I have any changes or other agreements that may supersede my information complete to that date.

The October 11, 2006 letter from John Barron of the ODOD to Michael T. McKibben of Leader Technologies, Inc. set a payment deadline for November 30, 2006. I am specifically interested in all available information pertaining to that deadline. If there is no information available at the time of this request, then I would like that information as soon as it does become available.

1/4/2007

I appreciate your involvement in this matter and your responsiveness to my requests.

I understand that this document is considered Public Information.

Mr. Detwiler:

As requested I have reviewed the Leader Technologies file and located one document not previously available to you, a communication between ODOD and the Attorney General's Office. This document has been determined to be a confidential communication between the two State departments and not available for release.

I am sorry that ODOD can not fully satisfy your request.

Mr. Detwiler:

Attached is a scan of the letter you requested.

ODOD's contact at the Attorney General's Office for the Leader Technologies matter is Assistant Attorney General Joe Schwade in Collections Enforcement. Please remember that the AG act as ODOD's attorney in the collections matter and it is unlikely that the office will have public records not subject to attorney client privilege. AAG Schwade's phone number is (614) 466-6252.
