Mr. Detwiler:

In response to your November 8, 2006 public records request, the Ohio Department of Development (ODOD) is providing you the attached scan of several documents related to Leader Technologies that have become part of the public record since your last request of September 22, 2006. Also, in response to your specific questions regarding the Leader Technologies promissory note, ODOD considers the note still in effect, even though no further payments, other than those previously documented to you, have been received by ODOD.

Please feel free to contact me if you have any further questions.

Bob Stempfer
